The Collaborator of Bethlehem - Matt Rees
2018-09-18

"Matt Rees has taken a complex world of culture clash and suspicion and placed upon it humanity."—David Baldacci Omar Yussef has taught history in Bethlehem for decades. When a favorite former student, a member of the Palestinian Christian minority, is arrested for collaborating with the Israelis in the killing of a Palestinian guerrilla—a transgression with an inevitable death sentence—Omar is sure he has been framed. When Omar begins to suspect the head of the Bethlehem al-Aqsa Martyrs Brigades is the true collaborator, he and his family are threatened, but since no one else will stand up to the violent Martyrs Brigades who hold power over the city, it is up to him to investigate.

The Collaborator - Margaret Leroy 2011

There's a sudden scatter of birds in the sky. I flinch. Little things seem violent to me. And in that moment my decision is made. 1940, Guernsey. Vivienne de la Mare waits nervously for the bombs to come. Instead comes occupation. Nothing is safe anymore. But was anything truly safe before? The façade of the perfect wife, with her husband fighting on the frontline, cracks under the strain of the lie. Her new life is one where the enemy lives next door. Small acts of kindness from one Nazi soldier feels like a betrayal. A forbidden friendship in a frightening world. But how can you hate your enemy when you know his name, when he makes

you feel alive, when everything else is dying around you? Vivienne is fighting her own private war. On one side, the safe, secret, loving world she could build with her captain; on the other, virtuous loneliness and danger. It's time for Vivienne to choose: collaboration or resistance
Reproductions of Banality - Alice Yaeger Kaplan 1986

Reproductions of Banality was first published in 1986. Minnesota Archive Editions uses digital technology to make long-unavailable books once again accessible, and are published unaltered from the original University of Minnesota Press editions. An established fascist state has never existed in France, and after World War II there was a tendency to blame the Nazi Occupation for the presence of fascists within the country. Yet the memory of fascism within their ranks still haunts French intellectuals, and questions about a French version of fascist ideology have returned to the political forefront again and again in the years since the war. In Reproductions of Banality, Alice Yaeger Kaplan investigates the development of fascist ideology as it was manifested in the culture of prewar and Occupied France. Precisely because it existed only in a "gathering" or formative stage, and never achieved the power that brings with it a bureaucratic state apparatus, French fascism never lost its utopian, communal elements, or its consequent aesthetic appeal. Kaplan weighs this fascist aesthetic and its puzzling power of attraction by looking closely at its material remains: the narratives, slogans, newspapers, and film criticism produced by a group of writers who worked in Paris in the 1930s and early 1940s — their "most real moment." These

writers include Pierre Drieu la Rochelle, Louis-Ferdinand Celine, Lucien Rebatat, Robert Brasillach, and Maurice Bardeche, as well as two precursors of French fascism, Georges Sorel and the Italian futurist F.T. Marinetti, who made of the airplane an industrial carrier of sexual fantasies and a prime mover in the transit from futurism to fascism. Kaplan's work is grounded in the major Marxist and psychoanalytic theories of fascism and in concepts of banality and mechanical reproduction that draw upon Walter Benjamin. Emphasizing the role played by the new technologies of sight and sound, she is able to suggest the nature of the long-repressed cultural and political climate that produced French fascism, and to show—by implication — that the mass marketing of ideology in democratic states bears a family resemblance to the fascist mode of an earlier time.

A Dangerous Woman - Susan Ronald
2019-02-19

A Dangerous Woman is Susan Ronald's revealing biography of Florence Gould, fabulously wealthy socialite and patron of the arts, who hid a dark

past as a Nazi collaborator in 1940's Paris. Born in turn-of-the-century San Francisco to French parents, Florence moved to Paris at the age of eleven. Believing that only money brought respectability and happiness, she became the third wife of Frank Jay Gould, son of the railway millionaire Jay Gould. She guided Frank's millions into hotels and casinos, creating a luxury hotel and casino empire. She entertained Zelda and Scott Fitzgerald, Pablo Picasso, Joseph Kennedy, and many Hollywood stars—like Charlie Chaplin, who became her lover. While the party ended for most Americans after the Crash of 1929, Frank and Florence stayed on, fearing retribution by the IRS. During the Occupation, Florence took several German lovers and hosted a controversial Nazi salon. As the Allies closed in, the unscrupulous Florence became embroiled in a notorious money laundering operation for Hermann Göring's Aerobank. Yet after the war, not only did she avoid prosecution, but her vast fortune bought her respectability as a significant contributor to the Metropolitan Museum and New York University, among many others. It also earned her friends like Estée Lauder who obligingly looked the other way. A seductive and utterly amoral woman who loved to say "money doesn't care who owns it," Florence's life proved a strong argument that perhaps money can buy happiness after all.

Paris and the Musical - Olaf Jubin 2021-03-18

Paris and the Musical explores how the famous city has been portrayed on stage and screen, investigates why the city has been of such importance to the genre and tracks how it has developed as a trope over the 20th and 21st centuries. From global hits *An American in Paris*, *Gigi*, *Les Misérables*, *Moulin Rouge!* and *The Phantom of the Opera* to the less widely-known *Bless the Bride*, *Can-Can*, *Irma la Douce* and *Marguerite*, the French capital is a central character in an astounding number of Broadway, Hollywood and West End musicals. This collection of 18 essays combines cultural studies, sociology, musicology, art and adaptation theory, and gender studies to examine the envisioning and dramatisation of Paris, and its depiction as a place of romance, hedonism and libertinism or as 'the capital of the arts'. The interdisciplinary nature of this collection renders it as a fascinating resource for a wide range of courses; it will be especially valuable for students and scholars of Musical Theatre and those interested in Theatre and Film History more generally.

The Collaborator - Joseph Peretz 2007-08

Set during the darkest times in modern history,

The Collaborator tells the story of multiple generations struggling within the complexities and conspiracies of not one, but two world wars. Joseph Peretz uses his personal experiences as a Belgian Holocaust survivor to paint a fascinating view of Antwerp, Belgium, in the first half of the twentieth century. Young and unwed, Sarah Kohen is horrified by the news of her pregnancy. She flees her shame not long after giving birth, leaving her son Albert to be raised by the Molls, a Christian family in Belgium. When Albert grows to maturity, he changes his last name to Komen to disguise his Jewish heritage. He begins working for the Luftwaffe during World War II while secretly contributing to the Resistance efforts led by his foster brother, Louis. The Collaborator unfolds as Peretz brilliantly weaves the real lives of historical people and places into a story of friends and family trapped by bigotry, greed, and betrayal. He draws a portrait of the journey each character must undertake to survive the horror of the Nazi war machine. In its shocking conclusion, The Collaborator sheds a brilliant light on the harsh realities only found in the aftermath of major war.

Is There a Book Inside You? - Dan Poynter
1991

Priest, Politician, Collaborator - James Mace
Ward 2013-04-02

In *Priest, Politician, Collaborator*, James Mace Ward offers the first comprehensive and scholarly English-language biography of the Catholic priest and Slovak nationalist Jozef Tiso (1887-1947). The first president of an independent Slovakia, established as a satellite of Nazi Germany, Tiso was ultimately hanged for treason and (in effect) crimes against humanity by a postwar reunified Czechoslovakia. Drawing on extensive archival research, Ward portrays Tiso as a devoutly religious man who came to privilege the maintenance of a Slovak state over all other concerns, helping thus to condemn Slovak Jewry to destruction. Ward, however, refuses to reduce Tiso to a mere opportunist, portraying him also as a man of principle and a victim of international circumstances. This potent mix, combined with an almost epic ability to deny the consequences of his own actions, ultimately led to Tiso's undoing. Tiso began his

career as a fervent priest seeking to defend the church and pursue social justice within the Kingdom of Hungary. With the breakup of Austria-Hungary in 1918 and the creation of a Czechoslovak Republic, these missions then fused with a parochial Slovak nationalist agenda, a complex process that is the core narrative of the book. Ward presents the strongest case yet for Tiso's heavy responsibility in the Holocaust, crimes that he investigates as an outcome of the interplay between Tiso's lifelong pattern of collaboration and the murderous international politics of Hitler's Europe. To this day memories of Tiso divide opinion within Slovakia, burdening the country's efforts to come to terms with its own history. As portrayed in this masterful biography, Tiso's life not only illuminates the history of a small state but also supplies a missing piece of the larger puzzle that was interwar and wartime Europe.

The Collaborator - Alice Kaplan 2014-11-20
On February 6, 1945, Robert Brasillach was executed for treason by a French firing squad. He was a writer of some distinction—a prolific novelist and a keen literary critic. He was also a dedicated anti-Semite, an acerbic opponent of French democracy, and editor in chief of the fascist weekly *Je Suis Partout*, in whose pages he regularly printed wartime denunciations of Jews and resistance activists. Was Brasillach in fact guilty of treason? Was he condemned for his denunciations of the resistance, or singled out as a suspected homosexual? Was it right that he was executed when others, who were directly responsible for the murder of thousands, were set free? Kaplan's meticulous reconstruction of Brasillach's life and trial skirts none of these ethical subtleties: a detective story, a cautionary tale, and a meditation on the disturbing workings of justice and memory, *The Collaborator* will stand as the definitive account of Brasillach's crime and punishment. A National Book Award Finalist A National Book Critics Circle Award Finalist "A well-researched and vivid account."—John Weightman, *New York Review of Books* "A gripping reconstruction of [Brasillach's] trial."—*The New Yorker* "Readers of this disturbing book will want to find moral touchstones of their own. They're going to need them. This is one of the few works on Nazism that forces us to experience how complex the

situation really was, and answers won't come easily."—Daniel Blue, San Francisco Chronicle Book Review "The Collaborator is one of the best-written, most absorbing pieces of literary history in years."—David A. Bell, New York Times Book Review "Alice Kaplan's clear-headed study of the case of Robert Brasillach in France has a good deal of current-day relevance. . . . Kaplan's fine book . . . shows that the passage of time illuminates different understandings, and she leaves it to us to reflect on which understanding is better."—Richard Bernstein, The New York Times

All the Frequent Troubles of Our Days -

Rebecca Donner 2021-08-03

In 1932, she began holding secret meetings in her apartment—a small band of political activists that by 1940 had grown into the largest underground resistance group in Berlin. She recruited working-class Germans into the

resistance, helped Jews escape, plotted acts of sabotage, and collaborated in writing leaflets that denounced Hitler and called for revolution. Her coconspirators circulated through Berlin under the cover of night, slipping the leaflets into mailboxes, public restrooms, phone booths. When the first shots of the Second World War were fired, she became a spy, couriering top-secret intelligence to the Allies. On the eve of her escape to Sweden, she was ambushed by the Gestapo. At a Nazi military court, a panel of five judges sentenced her to six years at a prison camp, but Hitler overruled the decision and ordered her execution. On February 16, 1943, she was strapped to a guillotine and beheaded. Historians identify Mildred Harnack as the only American in the leadership of the German resistance, yet her remarkable story has remained almost unknown until now. Harnack's great-great-niece Rebecca Donner draws on her extensive archival research in Germany, Russia, England, and the U.S. as well as newly uncovered documents in her family archive to produce this astonishing work of narrative nonfiction. Fusing elements of biography, real-life political thriller, and scholarly detective story, Donner brilliantly interweaves letters, diary entries, notes smuggled out of a Berlin prison, survivors' testimony, and a trove of declassified intelligence documents into a powerful, epic story, reconstructing the moral courage of an enigmatic woman nearly erased by history.

The Director as Collaborator - Robert Knopf 2017-04-07

The Director as Collaborator teaches essential directing skills while emphasizing how directors and theater productions benefit from collaboration. Good collaboration occurs when the director shares responsibility for the artistic creation with the entire production team, including actors, designers, stage managers, and technical staff. The Negro Motorist Green Book - Victor H. Green

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

Curfewed Night - Basharat Peer 2011-11-20

Basharat Peer was a teenager when the separatist movement exploded in Kashmir in 1989. Over the following years countless young men, seduced by the romance of the militant, fuelled by feelings of injustice, crossed over the Line of Control to train in Pakistani army camps. Peer was sent off to boarding school in Aligarh to keep out of trouble. He finished college and became a journalist in Delhi. But Kashmir—angrier, more violent, more hopeless—was never far away. In 2003, the young journalist left his job and returned to his homeland to search out the stories and the people which had haunted him. In *Curfewed Night* he draws a harrowing portrait of Kashmir and its people. Here are stories of a young man's initiation into a Pakistani training camp; a mother who watches her son forced to hold an exploding bomb; a poet who finds religion when

his entire family is killed. Of politicians living in refurbished torture chambers and former militants dreaming of discotheques; of idyllic villages rigged with landmines, temples which have become army bunkers, and ancient sufi shrines decapitated in bomb blasts. And here is finally the old story of the return home—and the discovery that there may not be any redemption in it. Lyrical, spare, gutwrenching and intimate, *Curfewed Night* is a stunning book and an unforgettable portrait of Kashmir in war.

Presto and Zesto in Limboland - Arthur Yorinks 2021-08-31

The Collaborator - Gerald Seymour 2012-02-28

Immacolata Borelli is an accounting student in London trying to live an ordinary life. But when her ruthless family back home in Naples throws her hard-earned stability into chaos, Immacolata decides to collaborate with justice—to betray her own clan. Together with senior Carabinieri investigator Mario Castrolami, she unwittingly sets into motion a terrifying and unpredictable series of events. Gerald Seymour brings to *The Collaborator* the same irresistibly compelling storytelling that made his previous books, among them the bestselling *Harry's Game* and *The Walking Dead*, stunningly gripping and nuanced thrillers. Seymour has created a heart-stopping plot immersed in the Camorra's violent underbelly of crime and double-dealing that extends far beyond Italy's shores.

The Art of Her Deal - Mary Jordan 2020-06-16

This revelatory biography of Melania Trump from Pulitzer Prize-winning Washington Post reporter Mary Jordan “deftly, and without agenda, decodes Melania [Trump]” (NBC News) who is far more influential in the White House than most people realize. Based on interviews with more than one hundred people in five countries, *The Art of Her Deal: The Untold Story of Melania Trump* draws an unprecedented portrait of the first lady. While her public image is of an aloof woman floating above the political gamesmanship of Washington, behind the scenes Melania Trump is not only part of President Trump's inner circle, but for some key decisions she has been his single most influential adviser. Throughout her public life, Melania Trump has purposefully worked to remain mysterious. With the help of key people speaking publicly for the

first time and never-before-seen documents and tapes, *The Art of Her Deal* looks beyond the surface image to find a determined immigrant and the life she had before she met Donald Trump. Mary Jordan traces Melania's journey from Slovenia, where her family stood out for their nonconformity, to her days as a fledgling model known for steering clear of the industry's hard-partying scene, to a tiny living space in Manhattan she shared platonically with a male photographer, to the long, complicated dating dance that finally resulted in her marriage to Trump. Jordan documents Melania's key role in Trump's political life before and at the White House, and shows why he trusts her instincts above all. The picture of Melania Trump that emerges in *The Art of Her Deal* is one of a woman who is savvy, steely, ambitious, deliberate, and who plays the long game. And while it is her husband who became famous for the phrase "the art of the deal," it is she who has consistently used her leverage to get exactly what she wants. This is the story of the art of her deal.

[Mango and Peppercorns](#) - Tung Nguyen
2021-03-16

A powerful memoir of resilience, friendship, family, and food from the acclaimed chefs behind the award-winning Hy Vong Vietnamese restaurant in Miami. Through powerful narrative, archival imagery, and 20 Vietnamese recipes that mirror their story, *Mango & Peppercorns* is a unique contribution to culinary literature. In 1975, after narrowly escaping the fall of Saigon, pregnant refugee and gifted cook Tung Nguyen ended up in the Miami home of Kathy Manning, a graduate student and waitress who was taking in displaced Vietnamese refugees. This serendipitous meeting evolved into a decades-long partnership, one that eventually turned strangers into family and a tiny, no-frills eatery into one of the most lauded restaurants in the country. Tung's fierce practicality often clashed with Kathy's free-spirited nature, but over time, they found a harmony in their contrasts—a harmony embodied in the restaurant's signature mango and peppercorns sauce. • **IMPORTANT, UNIVERSAL STORY:** An inspiring memoir peppered with recipes, it is a riveting read that will appeal to fans of Roy Choi, Ed Lee, Ruth

Reichl, and Kwame Onwuachi. • **TIMELY TOPIC:** This real-life American dream is a welcome reminder of our country's longstanding tradition of welcoming refugees and immigrants. The Collaborators - Reginald Hill 2019-05-28

Set in Nazi-occupied France, this World War II novel of intrigue by the author of the Dalziel and Pascoe mysteries "call[s] to mind John le Carré" (Publishers Weekly). Best known for his gritty Dalziel and Pascoe novels, which were adapted into a hit BBC series, Reginald Hill proves to be "the finest male English contemporary crime writer" of stand-alone novels—now available as ebooks (Val McDermid). Paris, 1945. Günter Mai is a compassionate lieutenant with German intelligence, tasked with combing the city for collaborators. He understands the motives for their betrayal of country: greed, desperation, and fear. Janine Simonian is the wife of a Jewish member of the Resistance, virulently anti-Nazi and, at first, a most unlikely recruit for supplying information to the Abwehr. Until the Gestapo's reign of terror escalates and Janine's children are carted off to a pogrom. With Auschwitz only a heartbeat away, Janine strikes a bargain with Mai—one that will have irreversible consequences for the husband she betrays, for Mai, and for Janine herself. Within the context of a gripping historical thriller, Reginald Hill delivers "a moving, richly textured account of an inhuman military occupation and the all-too-human loyalties it spawns" (Kirkus Reviews). *The Collaborator Series: Vol 1* - Krista D. The Collaborator lays out "eleven" operating principles matching up with the global business model. Together, they describe SOCCER as a Strategic Operating Collaboration Code for Earning Results...for Engaging Resources...and for Establishing Relationships. The Complete Collaborator - Martin Katz 2009
Take more than forty years of partnering celebrated soloists in concerts all over the world, add nearly thirty years of teaching the art of accompanying, and you have the qualifications for such an audacious title as The Complete Collaborator. All the tools for understanding and executing first-class collaborative piano are here, paired with audio recordings of many of the musical examples performed by the author himself, along with two vocalists, on a companion website. The obvious topics: breathing, languages, flexibility, and creating a collaborative atmosphere are discussed at length, articulated clearly for the curious novice and proving beneficial even for the experienced professional. In addition, two significant chapters deal with orchestral accompaniment, reflecting today's requirements for any professional accompanist. Oft-neglected details such as beginning a piece together, telling stories with piano solos, tuning, and balance between the players are also covered herein. Dubbed the "Dean of Accompanists" by the Los Angeles Times, this teacher of sold-out masters' classes presents his material clearly and

incisively, but always with the humor and wit for which he is known. Whether it be read by the curious novice, the amateur who wants to accompany as best he can, or the experienced professional seeking confirmation or a new look at the role of any partner, Martin Katz's The Complete Collaborator is all one needs.

Sleeping with the Enemy - Hal Vaughan
2012-08-07

This explosive narrative reveals for the first time the shocking hidden years of Coco Chanel's life: her collaboration with the Nazis in Paris, her affair with a master spy, and her work for the

German military intelligence service and Himmler's SS. Gabrielle "Coco" Chanel was the high priestess of couture who created the look of the modern woman. By the 1920s she had amassed a fortune and went on to create an empire. But her life from 1941 to 1954 has long been shrouded in rumor and mystery, never clarified by Chanel or her many biographers. Hal Vaughan exposes the truth of her wartime collaboration and her long affair with the playboy Baron Hans Günther von Dincklage—who ran a spy ring and reported directly to Goebbels. Vaughan pieces together how Chanel became a Nazi agent, how she escaped arrest after the war and joined her lover in exile in Switzerland, and how—despite suspicions about her past—she was able to return to Paris at age seventy and rebuild the iconic House of Chanel.
