God's Feminist Movement - Amber Picota
2016-07-19

Experience True Liberation by Seeing Your Beauty, Femininity, and Freedom From Heavens Point of View Has Christianity kept women trapped in the stone age? In many ways, yes; but this is not by Gods design. As society offers women opportunities to explore outer-space and govern nations, the church often stifles and limits them. The tide is changing, though. Amber Picotas *Gods Feminist Movement* is a new covenant manifesto calling women to embrace their true identity in Christ and fulfill their destiny as revolutionaries who shape the course of history with the Kingdom of God. There is a powerful new feminist movement emerging in the body of Christ. Its not politically driven and its not being championed by an uprising of angry man-haters. Based on an intense study of Scripture, factoring in historical and contextual hermeneutics and original languages, Picota shares a practical, non-legalistic, and non-traditional (yet deeply Biblical) look at topics that women commonly face, such as: Dating and Modesty Female Leaders in the Church Submission in Marriage Beauty and Self-Image Celebrate the power and beauty of womanhood. God has given you permission to change the world by being you! The Eighth Sacrament - Mathew John
2017-07-13

This book carefully uncovers the beauty of the sacraments of the Church. It tells us how God, the master artist, who conceives the design of a human being, His masterpiece, first in His mind makes use of the sacrament of Matrimony as a canvas to realize the design with the cooperation of men and women as His coartists. Though the design God had in His mind was perfect, the actual work is imperfect because His coartists

who physically portrayed the masterpiece themselves are imperfect. But God transforms human beings, over the course of time, into a masterpiece through the sacraments of the Church. God calls a person by his name in the sacrament of Baptism, which is the very first divine touch of God upon the soul of an individual; the sacrament of Reconciliation is an ongoing bathing in the mercy of God; the Lord, in the Eucharist, feeds us with the divine food and drink for the journey, and by eating the body and drinking the blood of the Lord, human becomes divine; God gives us higher power by the sacrament of Confirmation, but it also challenges one to live according to the Spirit; the sacrament of the Anointing of the Sick is the last touch of God upon the soul of His masterpiece; God calls men into Holy Orders who, like the men and women in marriage, cooperate with God in carving a person into a masterpiece by administering the sacraments of the Church. As the author unveils the striking beauty of the sacraments, he also invites readers to delve deep into them to explore the hidden and untapped riches that will change one's life forever.

I'm Glad My Mom Died - Jennette McCurdy
2022-08-09

#1 NEW YORK TIMES BESTSELLER #1
INTERNATIONAL BESTSELLER A

heartbreaking and hilarious memoir by iCarly and Sam & Cat star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother's dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called "calorie restriction," eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, "Your eyelashes are invisible, okay? You think Dakota Fanning doesn't tint hers?" She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In *I'm Glad My Mom Died*, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes

true. Cast in a new Nickelodeon series called iCarly, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi ("Hi Gale!"), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the iCarly spinoff Sam & Cat alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, I'm Glad My Mom Died is an inspiring story of resilience, independence, and the joy of shampooing your own hair.

Beautiful Losers - Leonard Cohen 2011-01-26
One of the best-known experimental novels of the 1960s, Beautiful Losers is Leonard Cohen's most defiant and uninhibited work. As imagined by Cohen, hell is an apartment in Montreal, where a bereaved and lust-tormented narrator reconstructs his relations with the dead. In that hell two men and a woman twine impossibly and betray one another again and again. Memory blurs into blasphemous sexual fantasy--and redemption takes the form of an Iroquois saint and virgin who has been dead for 300 years but still has the power to save even the most degraded of her suitors. First published in 1966, Beautiful Losers demonstrates that its author is not only a superb songwriter but also a novelist of visionary power. Funny, harrowing, and fiercely moving, it is a classic erotic tragedy, incandescent in its prose and exhilarating for its risky union of sexuality and faith.

The Summer I Turned Pretty - Jenny Han 2010-04-06

Belly spends the summer she turns sixteen at the beach just like every other summer of her life, but this time things are very different. *Less Than Zero* - Bret Easton Ellis 2010-06-09 Set in Los Angeles in the early 1980's, this coolly mesmerizing novel—now a timeless classic—is a raw, powerful portrait of a lost generation who have experienced sex, drugs, and disaffection at too early an age. They live in a world shaped by casual nihilism, passivity, and too much money in a place devoid of feeling or hope. When Clay

comes home for Christmas vacation from his Eastern college, he re-enters a landscape of limitless privilege and absolute moral entropy, where everyone drives Porsches, dines at Spago, and snorts mountains of cocaine. He tries to renew feelings for his girlfriend, Blair, and for his best friend from high school, Julian, who is careering into hustling and heroin. Clay's holiday turns into a dizzying spiral of desperation that takes him through the relentless parties in glitzy mansions, seedy bars, and underground rock clubs and also into the seamy world of L.A. after dark. Look for Bret Easton Ellis's new novel, *The Shards*, coming in January.
