**White Line Fever** - Lemmy Kilmister 2004-01-01

One of music's most notorious frontmen leads a headbanging, voyeuristic odyssey into sex, drugs, and rock 'n' roll that rivals Motley Crue's *The Dirt* and Aerosmith's *Walk This Way*. He made Keith Richards look like a choirboy and Mick Jagger look like a nun. And as the head of the legendary band Motorhead, he ploughed his way through so many drugs, so many women, and so much alcohol, that he gave a whole new meaning to the term Debauchery. And he changed the face of music, conquering the rock world with such songs as "Ace of Spades," "Bomber," and "Overkill" and inventing a whole new form of music--speed metal. At the age of 57, Lemmy Kilmister remains a rock icon, both for his monumental talent and his hedonistic lifestyle. In *White Line Fever*, he recounts his incredible, pleasure-filled, and death-defying journey through music history. Born on Christmas Eve, 1945, in Wales, to a vicar and a librarian, Ian Fraser Kilmister learned early, he as he forthrightly puts it, "what an incredible pussy magnet guitars were." A teenager at the birth of rock 'n' roll, Lemmy idolized Elvis and Buddy Holly and soon joined a band of his own. He would eventually head to London, where he became a roadie for Jimi Hendrix, played in Opal Butterfly, and joined space rockers Hawkwind's lineup in 1971. Four years later, speedfreak Lemmy was fired from the band for doing the wrong drugs. Vowing to form the "dirtiest rock 'n' roll band in the world," he formed Motorhead, arguably the heaviest and loudest heavy metal band to ever take the stage. During their

twenty-seven-year history, Motorhead would go on to release twenty-one albums, including the #1 record *No Sleep 'Til Hammersmith* and would earn a Grammys nomination. Lemmy would also cheat death on more than one occasion, most notoriously in 1980, when his doctor told him, "I cannot give you a blood transfusion because normal blood will kill you...and your blood would kill another human being, because you're so toxic." But through more than two decades of notorious excess, Lemmy has lived to tell the warts-and-all tale of a life lived over the edge. *White Line Fever*, a tour of overindulgence, metal, and the search for musical integrity, offers a sometimes hilarious, often outrageous, and always unbridled ride with the leader of the loudest rock band in the world.

With a warm yet political humor, Ukraine's most famous novelist presents a balanced and illuminating portrait of modern conflict. Little Starhorodivka, a village of three streets, lies in Ukraine's Grey Zone, the no-man's-land between loyalist and separatist forces. Thanks to the lukewarm war of sporadic violence and constant propaganda that has been dragging on for years, only two residents remain: retired safety inspector turned beekeeper Sergey Sergeyich and Pashka, a rival from his schooldays. With little food and no electricity, under constant threat of bombardment, Sergeyich's one remaining pleasure is his bees. As

spring approaches, he knows he must take them far from the Grey Zone so they can collect their pollen in peace. This simple mission on their behalf introduces him to combatants and civilians on both sides of the battle lines: loyalists, separatists, Russian occupiers and Crimean Tatars. Wherever he goes, Sergeyich's childlike simplicity and strong moral compass disarm everyone he meets. But could these qualities be manipulated to serve an unworthy cause, spelling disaster for him, his bees and his country?

Once Upon a Northern Night - Jean E. Pendziwol  
2013-07-29

Once Upon a Northern Night has received starred reviews from Kirkus, Publishers Weekly and School Library Journal. In this exquisite lullaby, the beauty and wonder of a northern winter night unfold, with images of a soft snowfall, the wild animals that appear in the garden, the twinkling stars, the gentle rhythm of the northern lights and the etchings of frost on the window pane. As the young child sleeps, wrapped in a downy blanket, a snowflake falls, and then another and another. The poem describes the forest of snow-covered pines, where a deer and fawn nibble a frozen apple, and a great gray owl swoops down with its feathers trailing through the snow. Two snowshoe hares scamper and play under the watchful eyes of a little fox, and a tiny

mouse scurries in search of a midnight feast. When the snow clouds disappear, stars light up the sky, followed by the mystical shimmering of northern lights - all framed by the frost on the window. Jean E. Pendziwol's lyrical poem reflects a deep appreciation of the magic of a northern winter night where, even as a child slumbers, the world outside does not rest but continues its own natural rhythms. Isabelle Arsenault's spare, beautifully rendered illustrations, with their subtle but striking use of color, make us feel that we too are experiencing the enchantment of that northern night. They simultaneously evoke winter's nighttime life and the cozy warmth and security of a beloved child's sleep.
